Building Connections,

Empowering Futures Throughout Solano County!

Our Programs

Supported Living

Supports adults with intellectual/developmental disabilities, establishing and maintaining safe, stable, and independent living situations. SLS aids individuals in making meaningful choices regarding personal goals within their communities and relationships, with the flexibility to adjust to evolving needs over time.

Indepedent Living

Offers training and assistance to adults with intellectual/developmental disabilities, supporting them in achieving greater independence whether living with others or independently.

Connections For Life

Empowering people with disabilities by providing services that promote independence, equality, and integration, enhancing their quality of life

We do more than just provide a service.

At Connections For Life, we go beyond mere support; we're dedicated to nurturing meaningful connections, empowering independence, and enhancing lives. Our commitment surpasses the ordinary, as we provide personalized support, foster community integration, and show compassion. We aim to cultivate environments where every individual can flourish and reach their highest potential.
